

WINE ENTHUSIAST

93
POINTS

Protos 2014 Reserva (Ribera del Duero)

A dense, saturated nose weighs in as stout, which is fitting for a wine boasting 15% abv.

Bold black fruit aromas pave the way to a rugged palate that's jagged with hard tannins. Black fruit flavors are deep, full and spicy, with toasty oak providing framing. On the finish, coffee and wood spice flavors dominate. Drink through 2027, preferably with beef or lamb.
