

MELEA ORGANIC

TEMPRANILLO ROSÉ 2022

Technical data

Appellation	VdT Castilla
Vineyards	Fruit comes from organically certified, traditionally managed, dry-farmed vines in the Cuenca area of La Mancha. The vineyards were planted in 1999 and are at an altitude of 2175 feet with sandy-clay soils, low in organic matter and high in chalk and limestone. This suppresses yields to just 3kg per plant, giving greater quality grapes. The extreme continental climate means there is a high diurnal temperature range conserving acidity and increasing aromatic intensity. The lack of rainfall reduces the risk of fungal diseases.
Varietals	100% Tempranillo
Winery	The family winery is located in Alicante and is a leader in the production of high quality, organic wines. They are IFS certified and produce wines with organic and vegan certification.
Winemaking	After crushing, the grapes underwent a short maceration of 4-5 hours at 18°C to extract some color. The must was then bled off and fermented without the skins using native yeasts at a controlled temperature of less than 24°C. Fined with vegan-friendly pea protein.

Winemaker's notes

 Color	Brilliant salmon pink
 Nose	Fresh aromas of strawberries and redcurrant
 Palate	The red fruit flavors reappear on the palate. It has a rich, smooth, and creamy texture with a clean finish

Analysis

Alcohol	12% volume
