Harvest 2018

Weather conditions allowed for a good recovery of the plants after the difficult 2017 cycle. During the winter, temperatures were higher than expected. In April, temperatures rose, favouring adequate budding at the end of the month

Vineyards

Vineyards over 50 years old, in the areas of Peñafiel and Pesquera de Duero at an average altitude of 750 m and in the area of Roa and Anguix at 815 m, where ripening is somewhat later. Yield of 2,500 kg/ha

Vinification

Harvest by hand. Grapes selected on the table. Fermentation in stainless steel tanks and maceration 21 días with several daily pumping overs

Ageing for 18 months in French and American oak barrels. Resting in bottle minimum for 2 years before release
