WINEMAKING

WINERY: TERRA CELLARS
WINEMAKER: DAVID LLOPIS

The winery is located between Barcelona and Terra Alta, near the Mediterranean Sea, and grapes are selected from the winemaker's preferred Mediterranean vineyards. Each variety is fermented separately on its own skins in stainless steel tanks at a controlled temperature to maintain aromas and floral notes.

TASTING NOTES

Complex aromas with a perfect balance between ripe blackberry fruit and sweet vanilla notes. On the palate, it is full-bodied, bold and jam-packed with plum and black cherry fruit, finishing with hints of spice.

Vegetarian and Vegan friendly.
