Winery Part of a group with nine winegrowing cooperatives across Catalonia giving access to the best fruit and the latest technology. Its modernist Cava cellar was named the Cathedral of Wine by Catalan writer Àngel Guimerà.

Winemaking Made using the Charmat Method; Sugar and yeast are added to the base wine to start the second fermentation inside stainless-steel vats. The yeasts are kept in constant suspension in the wine allowing an exchange to take place which imparts light notes of brioche, creaminess and a bit of body.
