Lan

It's a celebration, an unforgettable moment, it's perfect balance. It's LAN. Between you and me, little moments deserve great wines.

Life is composed of everyday moments that become extraordinary. Look in the mirror. You deserve to make the everyday special, and this balance between fruit and oak ageing is just what you need to do it.

Reserva 2019

GRAPE VARIETIES

91% tempranillo, 6% garnacha and 3% mazuelo. Yes to understandable complexity, yes to renewed traditions.

VINEYARDS

Selected vineyards from Rioja Alta and Rioja Alavesa, aged between 20 and 30 years in chalky clay soils. Estates that are blessed with the ideal conditions to create iconic wines.

2019 GROWTH CYCLE

A mild autumn and winter, exceptional weather conditions during the ripening period. A Mediterranean vintage that the Rioja Regulatory Council called "Excellent". We say: it's the moment to surprise yourself.

WINEMAKING AND AGEING

The difficult thing is harvesting by hand, fermenting and ageing the wine for 20 months in mixed barrels. The easy thing is to perceive how the intensity of the fruit and the aromatic complexity merge in every sip. The wine spends another 24 months resting in the bottle, and you should do the same: relax, enjoy it and let yourself be carried away.

TASTING NOTES

COLOUR: Bright, deep cherry red with garnet rims that signify patience and time.

NOSE: A complex symphony of black fruits and hedgerow berries dancing to notes of vanilla and spices, inviting you to go on a sensory journey.

PALATE: As approachable and silky upon entry as it is broad, memorable and long-lasting. Just like the very best moments in life.

PAIRINGS

With traditional pulse dishes, barbecued meats and mature cheeses... but enjoy it. That's something you know all about. Pair our Reserva with your friends or partner for a unique moment of enjoyment.
