

vinous**93 pts****Protos 2023 27'****Ribera del Duero, Castilla y León**

Red wine from Spain

Drinking window: 2026 - 2043

Sourced from Anguix, Roa, Quintanamanvirgo and La Horra in Burgos, the 2023 27' is 100% Tempranillo aged 16 months in new and one-year-old French oak barrels. It opens with balsamic aromas, black fruit and evident but well-integrated oak. The palate is dry and structured, with fine-grained tannins, gentle grip and good volume. The balance between structure and generosity is well handled. A classic expression of Ribera enhanced by the energy of the vintage.

Joaquín Hidalgo. Tasting date: September 2026
