Red wine from Spain

Drinking window: 2026 - 2046

The 2021 Reserva 5° Año is pure Tempranillo, sourced from Burgos and Valladolid in Ribera del Duero. Aged 18 months in oak, with 80% French and 20% American barrels, it reveals notes of cherry, sweet spice, balsamic herbs and subtle vanilla. The palate is dry and firm, with chalky grip and a measured tannic structure. The finish recalls the influence of the oak. A textbook Ribera Reserva from a balanced vintage.
